PTA Chairman's Report

The end of another school year for our PTA. We can look back at the various events that we have organised and see another successful year, both financially and socially.

I am always grateful for the time and commitment that the members of the PTA give of themselves to organise events and help at the many school activities through the year.

Both our Christmas and Summer Fetes were very successful and enabled us to raise money to be used for the children within the School.

During the year we also arranged a Quiz Night, and this was followed by a Wine Appreciation Evening. On the 5th May we held our annual Spring Ball. I have had many parents approach me to comment on how enjoyable these events were.

The PTA Committee is already arranging events for the next school year. We will be having a Murder Mystery Evening, another Wine Appreciation event and the Spring Ball next May.

The Committee will also help at the various school events when required.

I would like to thank the following who will be leaving the Committee this year: Lucy McMahon, Millie Dominey-Foy, Phil Wragg and Suzy Wood Power. Our School is grateful for all you have done to support our PTA and for all the time and effort you have given during your time on the Committee. Thank you, also, to Mr. Kenward who was our Teacher Representative this year. We are also grateful to all the teachers and staff for their help throughout the year.

On behalf of all the Committee Members, both past and present, I wish to express our thanks and gratitude to Mr. Gillings for all the support and encouragement he has extended to our PTA. We wish him health and happiness for his future and hope to see him at our future events.

As always, I must state that none of our events would be such a success without the help and support of our many parents who turn up and help us run these evenings. There are a few mums who are always available to help at other day-time events, such as offering refreshments to the parents and friends of Corpus Christi School when they held their sports day at St. Thomas Garnet's.

My appreciation to all of you for your support at the events we arrange. If you have any ideas that you feel we should organise please contact myself or any member of the PTA.

Have a happy and restful Summer.

Regards

Aidan Foy
